SUBJECT: 25 September Meeting with Juriy RAUS

1. On assignment with Juriy RAUS on 25 September from about 1140 hours to 1245 in a public cafe in Washington, D.C.

2. Following items were discussed during the meeting which had been requested by RAUS:

a. RAUS wished to learn whether or not the undersigned was still interested in having his (RAUS's) wife continue working on cards Estonian Personalities, and if so could he have some more cards. RAUS was advised that the Estonian Desk of the Agency had no further interest in the material and the RAUS's wife could discontinue the preparation of these cards.

b. RAUS was told, however, that the Agency still wanted his wife to prepare a translation (for SR/EP) of the Tartu University Handbook. RAUS opined that this be completed in the next couple of weeks.

c. RAUS volunteered that he owed the undersigned an apology because of the misunderstanding that occurred when (of SR/DOB) "blew his stack" at the undersigned, when the undersigned had made attempts to pump RAUS for information on his trip to Europe for SR/DOB.

d. RAUS expressed considerable concern over

ERIK HEINE

who has again made another trip to the USA. RAUS wondered whether the Agency could not instruct the Immigration Naturalization Service to bar HEINE coming to the USA. According to RAUS, HEINE returned to New York City on the invitation of

KIMAR KERD

for the purpose of refuting the rumors extant about him to the effect that he is a Soviet agent. In as much as only a small handful of Estonians attended, HEINE did not speak about these rumors, but rather lectured on the "success" of the previous visit to the USA in his acceptance of the entire Estonian community.

3. RAUS was told that the undersigned, except to pick up the aforementioned translation of the handbook, would have little reason to meet with RAUS. RAUS was told, however, that (known to RAUS as [redacted]) would remain in contact with RAUS if there was a need for this.
